**TWIN CITIES ORTHOPEDICS WELCOMES TOTAL JOINT SPECIALIST
JAY JOHNSON, MD to MEDICAL STAFF**

Minneapolis (August 4, 2008) - Twin Cities Orthopedics announced today the addition of Jay Johnson, MD to their team of physicians. Dr. Johnson will specialize in total joints including revisions and general orthopedics. He is a board-certified orthopedic surgeon with fellowship training in reconstructive surgery and musculoskeletal sepsis.

"We are excited to welcome Dr. Johnson to our practice," said Troy Simonson, administrator of Twin Cities Orthopedics "Dr. Johnson has been seeing patients in our area for the past ten years. He brings a great deal of skill to Twin Cities Orthopedics. His experience and subspecialty training will positively affect our patients and community."

Dr. Johnson received his undergraduate education at Augsburg College. He completed his medical degree, surgery internship and residency from the University of Minnesota Department of General Surgery and Orthopedic Surgery. Dr. Johnson also completed a reconstructive surgery and musculoskeletal sepsis fellowship at the Minneapolis Orthopedic and Arthritis Institute.

Dr. Johnson is board-certified with the American Board of Orthopedic Surgery. He will see patients at our Centennial Lakes (7373 France Ave, Suite 312) clinic located in Edina.

To schedule an appointment with Dr. Johnson please call (952) 832-0076.

Twin Cities Orthopedics is one of the largest orthopedic practices in the country with 70 plus physicians in 30 clinics. Our physicians offer specialty training in all areas of orthopedic medicine. No matter how common or obscure a patient's problem, TCO has the capability to offer the best treatment available. Through conservative, top quality care, research and the use of state-of-the art technology and procedures, TCO provides world-class, compassionate care to individuals of all ages with musculoskeletal injuries and conditions.
